

SD 60 Early Learning Tip September – Talking and Listening

School District 60 wants you to know...

You are your child's first and best teacher. You can help your child grow strong roots for learning both in and out of school.

September Tip - Talking & Listening

- give your full attention by shutting off all devices – radio, TV, DVD, phone, etc.
- talk about everything you see
- take turns telling a story or listening to a story
- ask questions and listen to the answer
- teach your child new words by saying them together
- talk or sing while you drive cook, clean or cuddle

Why? Children who hear a lot of language in their early years have more success with their own language and with reading later on. To find out more information go to:
