

Early Learning Ideas for Home

For the week of **May 20th-27th**

Things we can do Everyday:

These are activities that you may already be doing or that you can build off of and make them yours. See where it takes you...

- Read, read, read-read stories with your child or have your child read to you. Talk about the story throughout, have your child predict what will happen next.
- At family meal time, share your “High” and “Low” of the day or your “Sweet” and “Sour” (Best part/not so great part).

Playful Literacy Ideas:

Decide which activity you'd like to do or do them all this week. Here are some great "Spring" themed stories:
