

May 2011

Hi all,

As some of you may have heard, I (Kim Begg, IBCLC) have been given the opportunity to offer breastfeeding education and support to our community through Success By Six funding. The sessions will be offered at North Peace Community Resources Society two evenings a week until March 31st of next year.

I will work with moms (dads and babies too!) one on one on Tuesday evenings from 5:30-9 pm. These sessions will be by appointment. On Wednesday evenings there will be an info session on breastfeeding related topics from 6-7:30 pm.

I have attached the calendar for May. Please pass on the information and/or post the calendar.

If you have any questions or concerns please email me at albegg@telus.net or call 250-262-0150.

Thank you,
Kim Begg
