

Robert Ogilvie Preschool

January 2021

What's going on this Month?

- This month we are going to focus on Indigenous Traditions and Culture. Specifically on the Haida Culture. During the month, we will be exploring their art along with making our own drums and finishing it off with a traditional drumming circle.
- The climber and slide have returned for the month of January, for those inside days when it's too cold to go outside.

Cooking Day: This Month we will be making individual Bannock/ Fried Bread.

School Closures

- **January 29th Closed for Pro D Day**

Cold Weather: "Baby its Cold Outside", so please remember to pack warm clothes and foot wear. We do go outside every chance we get. We will be staying inside to play with anything colder then -15 in the wind. On inside days, you can pick up at the Preschool front doors.
