\*March is a short month for us, our activities and discussions will continue around the theme “Friends, Family and Feelings”!

\*The last day before we say good bye for Spring Break, we are going to have a pajama day and try out another recipe from the “Little Food Explorers” program.

\*We are going to try to go outside as much as the weather permits! **PLEASE pack appropriate outside clothing and footwear every day for outside play** (hats, mitts, snowpants, jacket and boots). ALSO when time permits please encourage your child to dress themselves for outside as they will be encouraged to do so at preschool.

---

**REMINDER: Fees are due the 1st of each month!**

(cash or cheques can be given to me/credit card through the School Board Office)

- **Preschool times are 12:15-3:00pm; if your child is going to miss a class or picked up early please let me know (no late entries at this time)**
- **Please meet me outside and sign your child in and out each class (if the weather is too cold, drop off and pick up will be at the boot room door).**
- **For SAFETY reasons, only authorized persons are permitted to pick up your child and ID will be requested (at any time you can add or change authorized names on the list)**
