MUSICAL DRAWING

WHAT?

1. Choose any type of music your child and you listen to, perhaps music that is important to your culture or community (drumming, dance, or other instrumental music)
2. Tape a large piece of paper to the floor, table, driveway or patio. Choose crayons, markers, chalk, or finger paint
3. Play the music and encourage your child to draw or paint according to the music they hear

Communication and Literacies

Why?

- Explore the world using their bodies and senses
- Build, create, and design using different materials and techniques
- Actively explore, think, and reason
- Be creative and expressive in a variety of ways
- Express a zest for living and learning

WHERE & WHEN

- Try this experience either inside or outside
- This activity may get messy if using paint
- This activity can occur during any time of the day
